

Recommended School Supply 1st grade

1. Backpack with name inside

2. School supply box This needs to be big enough to hold crayons and pencils. I prefer the size to be approximately 5" X 8". **Please label with your child's name.**

3. Three boxes of crayons--24 count only

4. Two -Four packages of #2 Ticonderoga pencils

5. 3 packages of glue sticks

6. 3 thin plastic folders with pockets for homework; please put name on them

7. 1 packet colored pencils

8. 1 composite notebook 9 ¾ in. x 7 ½ in. can be found at Walmart or Dollar Tree

9. 2 boxes of tissues to share with class

10. 1 small pair of child's scissors

I collect all the pencils and sharpen them for the students. Please label pencil boxes, backpacks, sweaters and coats.

***What NOT to send to school:** markers, staplers, pencil sharpeners, rulers, pens, paper and folders. It is too much for the children to carry around and to sort through in their pencil boxes. In addition, these items become distractions to them. I will provide them with these materials as needed. Thank you!
