I am requesting that my child be enrolled in the French Immersion Program at Edgemont Elementary School. I understand that the enrollment of my child is conditional on my understanding of and commitment to the following, along with space availability:

1. I understand that parents will need to read to/with their child at home 20-30 minutes daily in English.
2. I understand that I am making a six-year commitment to the French / English dual immersion program (I do not contemplate a change of address within the next six years).
3. I understand it is not unusual for children to experience some fatigue and/or tears and frustration during the first months of the program. Knowing this, I will not remove my child from the French Immersion Program because of these reasons.
4. I understand that fifty percent of the core class instruction will be in French.
5. There will be two classes of French Immersion, which will provide for some mixing of children in classes throughout the grade levels.
6. If my child, once enrolled in the French Program, is not making adequate progress in the program, I will agree to have him/her evaluated and consider reassignment to a regular classroom.
7. I understand that regular and punctual student attendance is required to retain placement in the French Immersion Program.
